## Join Us & Learn

# Hazardous Locations & Alternative Energy Sources

Register for the First Annual IAEI Joint Section Meeting and learn about hazardous locations & alternative energy sources. The premier regional event in electrical infrastructure safety, attending this important meeting will provide you with the latest and most valuable information in compliance with the National Electrical Code®.

Held in the breath-taking mountains of Jackson, WY, the annual meeting will help you:

- Learn from industry experts
- International class tradeshow
- Earn valuable CEUs and more:
  - Meets Colorado PDU Requirements:
  - 8-HOURS Code Changes AND
  - 8-HOURS Wiring Methods
  - Meets 16 HOUR Wyoming CEU's
  - Meets local and/or states CEU requirements in many other jurisdictions.

## Who Should Attend?

Electrical professionals concerned with protecting lives and property through compliance and enforcement of the NEC®.

As a qualified electrical professional, people rely on you to install and inspect electrical installations that affect their daily lives – such as their homes, workplaces, and schools.

That's why staying current in the electrical industry and being involved is an important responsibility that is vital to public safety.
